CM INDEX – The People's Broker

The Forex Market is a currencies market that opens 24 hours a day, five days a week being traded both online and offline with price quotes changing constantly. As the largest and most traded financial market in the world, foreign exchange offers ample opportunities for those who want to experience the highest volume and liquidity. CM Index also provides Metals and Energies.

CM Index provides ultra-fast matching engine technology which guarantees no requotes, no rejection, and no last look execution. All your trade is executed at a fair market price.
